ARSON?

Rustenburg – Many questions do the rounds as to why these vehicles at the impound section of the Traffic Department were... set alight? Was it to destroy evidence... to claim insurance... or was it just done by someone who enjoys setting things alight? The fire that was reported at around 18:00 on Tuesday 21 September, and destroyed five vehicles before the firefighters got the fire under control. "The municipality's fire and emergency services department managed to extinguish the fire within 45 minutes, preventing it from spreading," Rustenburg Local Municipality

spokesperson Thapelo Matebesi says. He added that the inferno was only confined to the impound section and did not affect the day-to-day activities at the administration blocks. Said police spokesperson captain Sam Tselanyane: "We have registered a case of arson and investigations are currently underway. No arrests have been made yet." When *Platinum Weekly* visited the traffic department offices on Thursday 23 September, it was business as usual. Long, winding queues of people waiting patiently to renew their licenses...

The vehicles were about to be auctioned. How the fire started is not yet known, but a case of arson was opened.

DEVASTATING FIRES

Rustenburg – For the past two weeks, devastating runaway fires have pushed several firefighters to their limits.

A serious fire broke out in Kgaswane Nature Reserve on Sunday 5 September. North West Parks Board acting chief conservation officer Pieter Nel confirmed that 60% of the park was burned during the fire. The high intensity fire also caused damage to infrastructure, but thanks to the assistance of the Greater Rustenburg Fire Protection Association (GRFPA) members, Working on Fire (WOF) and volunteers, the damages were contained to the south side where there are fewer grazing areas. The north side should have sufficient food for the wildlife. Luckily, greenery has already started sprouting through the ashes.

The south side of the Magaliesberg mountains in the Vlakfontein and Maanhaarrand area caught fire on 16 September. Once again GRFPA members and WOF was called to action as the fire rapidly started spreading. They spent hours fighting the fire until it

finally looked like they won. The relief was short-lived as more fires popped up on 19 September. Residents posted alerts and photos of smoke on the northern slopes of the Magaliesberg Mountain range in the Rietfontein Kromrivier area...

Given the high fire danger index, erratic and steadily increasing wind gusts, mountainous terrain with limited access, except on foot, the fire continued to flare up despite the best efforts of landowners and volunteer firefighters and spread over to the south of the mountain.

The South African Weather Service (SAWS) issued an alert level 10 warning for veldfire conditions over many districts of the North West. WOF, and firefighting teams from Boskop and Highveld, Pilanesberg, Vaalkop, Rustenburg and Potchefstroom, the Rustenburg Fire Brigade Service, the GRFPA, North West Umbrella Fire Protection Association NWUFPA and REBEL FIRE ASSIST were at the ready and working hard to contain the fire.

Greenery has already started sprouting after 60% of Kgaswane Nature Reserve was destroyed in a fire.

Large areas were destroyed in the Buffelsfontein area on the south side of the mountain.

The following night the winds in excess of 70km/h drove the fire over the Kromrivier tar road, towards a more populated farming area. Evacuation instructions were sent to some local residents. Some of the firefighting vehicles were surrounded by fire and could not move for half an hour. A huge community effort saved lives and brought the fire on the north side of the Kromrivier road under control.

But to the south, on the mountain, the fire raged on. The next morning, 22 September the chairperson of the NWUFPA declared a 'code red', meaning all local resources were exhausted and special emergency measures for assistance were activated.

Two water bombers, a spotter plane, ground crews and incident command personnel were brought in, and a command centre was set up on one of the affected farms. More than 50 drops of 1,500 litres each were dropped on the active fire line while ground crews continued to fight with water, beaters and blowers on foot and in 4x4 vehicles.

Those on the front line has described this as the worst fire in the Magalies Mountains they have ever seen.

Hundreds of hectares of veld and grazing have burnt, fences have been destroyed, sensitive and protected areas have been affected, and structural and wildlife losses have occurred. The exact toll of the fire has not yet been assessed as reports of damages are still coming in.

Thanks to the sterling efforts of so many organisations and people the fire was sufficiently contained on both sides of the mountain. Credit and thanks are pouring in from the community to the firefighters, the volunteers, the officials from the organisations and the incident commanders, the pilots, the co-ordinators and to the 'behind the scenes' members of the community who provided refreshments.

No human injuries have been reported but many farmers and landowners will be counting the costs of this devastating fires in the days to come, as they commence mopping up of isolated spots, assess their losses, and keep a sharp eye open as the risk of flare-ups is ever present. Smouldering vegetation in kloofs and inaccessible areas can, given strong wind gusts, reignite unburnt vegetation.

Water bombers were called in to assist in extinguishing the fire in the Rietfontein Kromrivier area.

R3,000 bail for R1.5 million scam

'What seems too good to be true, probably is'

Rustenburg – A 45-year-old man was arrested and appeared before the Rustenburg Magistrates' Court on Wednesday 22 September on charges of running an investment scam worth R1.5 million.

Thabo James Modau, who faces 38 counts of fraud and money laundering, was granted R3,000 bail and will make his second court appearance on 8 November. It is the state's case that in 2014, Modau lured victims into investing money into a company called Green Fields by promising them a 100% return on investment. However, Modau was nowhere to be found when the dividends were due to be paid. The victims then discovered that they had

been depositing their money into Modau's personal bank account.

Says Hawks North West spokesperson Tlangelani Rikhotso: "None of the victims have been reimbursed. We cannot guarantee that the funds will be reimbursed. In cases like these, the money that was scammed, is already spent. However, our Priority Crime Specialised Investigation Unit that deals with finances and assets will assist with that aspect of the investigation." The North West provincial head of the Hawks major general Patrick Mbotho pleaded with community members against rushing into investing their hard-earned money in little known companies: "What seems too good to be true, probably is."

Justice for murdered woman's family

Mooinooi – The family of a woman who was murdered in Mooinooi on Friday 8 January 2019 during an armed robbery, can finally start to find closure after the South Gauteng High Court handed a hefty sentence to the 28-year-old man responsible for the killing. Edmore Chirongoma was handed a life sentence and 53 years while his 24-year-old accomplice Moses Philip Mhlanga was sentenced to 17 years on Friday 17 September.

Chirongoma was found guilty of housebreaking, murder, attempted murder, theft of a motor vehicle and contravening the immigration and firearms control acts. Mhlanga was convicted on charges of theft of a motor vehicle, attempted murder and contravening the immigration act.

Chirongoma will be behind bars for at least 25 years while Mhlanga will serve an effective 14 years. The state successfully proved how the duo robbed victims of their vehicles in 2019 during two separate incidents in Mooinooi.

On 8 January 2019, the duo unlawfully entered a house in Bapong. They threatened a man, his wife and a child with a firearm and demanded the keys of the couple's white

Mazda Drifter. Shots were fired and the duo fled in the Mazda. "The victim's wife, who sustained a gunshot wound in the stomach, was rushed to hospital but succumbed to her injuries," police spokesperson colonel Adéle Myburgh said.

Two days after the armed robbery, Chirongoma and Mhlanga were arrested in Hartbeespoortdam. They were traveling in a Toyota Corolla which they had stolen from another victim in Mooinooi.

Under the steer of constable Leonard Mapataka of Mooinooi Detectives, investigations led to the successful arrest of the duo.

Rustenburg – In a medical emergency, when a person is critically injured, that person might have less than 60 minutes for any chance of survival – this is often referred to as the “golden hour”.
 What this really means is getting the right kind of medical attention for the patient as soon as possible. The sooner a person with a critical injury or medical condition is attended to by trained emergency medical services personnel, the better their chances of survival. How you respond in those 60 minutes is also vital and communication is key. Firstly, emergency medical services must be called immediately for the best

possible outcome and that is why emergency numbers should always be close-by. Various emergency numbers are published in *Platinum Weekly*, cut it out and place them somewhere where the whole family can see it.

Save it on your cellphone. Make sure you equip children with the knowledge of what to do should an emergency arise so that if the patient is a parent, they will know who to phone. Whoever makes the phone call must give the dispatcher an accurate location of

where help is needed. Knowing the physical address and surrounding areas can help paramedics find the location quicker. Also make sure that there is a phone number that can be given to the dispatcher to phone back if the call is interrupted. Stay on the line for instructions or directions of what you can do to keep the person alive until responders arrive. Having the necessary skills like first aid and cardiopulmonary resuscitation (CPR) can prove invaluable to help keep someone alive until help arrives. Stay calm, be informed and make that golden hour count!

Rustenburg – It’s almost time to wear your hat to work or school to raise awareness of the millions of children who need palliative care! Palliative care is specialised medical care for people living with a serious illness. This type of care is focused on providing relief from the symptoms and stress of the illness. The goal is to improve quality of life for both the patient and the family.

The second Friday in October, which this year falls on Friday 13 October, is a day chosen for raising international awareness of the work of children’s hospices and children’s palliative care (CPC) services worldwide. The campaign is called ‘Hats On for Children’s Palliative Care’ with the hashtag #HatsOn4CPC.

The day aims to raise funds for children’s palliative care, but more importantly, to raise awareness of the rights of very sick children with life-limiting and life-threatening illnesses to receive palliative care. By wearing a hat to work or school on Friday 13 October, you are showing that you care about these children. Raise funds and contribute to Hospice’s Children’s Palliative Care programme. You can do this by buying stickers @ R10 each from Hospice.

'My parents, my number one fans'

Otlotleng Koitsioe

Local hip hop artist 'Nest' going places!

Rustenburg – Tlhabane-born hip hop artist Otlotleng Koitsioe, better known by his stage name 'Nest' is very grateful for the support he has received from his parents and teachers so far during his new but promising music career.

This Selly Park Secondary School grade 11 learner hopes to make a huge impression at the upcoming Boltz Awards on 25 September. The awards is a platform to uplift and recognize upcoming artists from South Africa by helping them to build a solid fan base.

"My parents are very supportive of my music. They are my number one fans. They support me with transport allowances and are always there for me," Koitsioe said. "Our school principal and teachers are also very supportive, and I am very grateful for this," he added.

Otlotleng's father, Peter Koitsioe, is employed as a branch manager of a local building company while his mother works at Royal Bafokeng Platinum Styldrift Mine as a shift supervisor.

'Nest' is currently working on an EP (extended play record), which he hopes to release soon.

"I have shared a stage with Khuli Chana, Casper Nyovest, Nasty C and the others. I have learnt a lot from them," he said. He hopes to leave an indelible mark during the Boltz Awards. "Winners get prizes, marketing and sponsorship benefits. Artists receive votes to win so fans and supporting structures need to show their support through voting for their favourite," he concluded.

A waste of money!

[Letter to the editor]

Rustenburg – The water wise education budget for Magalies Water has been blown on a huge billboard near Waterfall Mall. What does this informative billboard tell us? Wash your hands for 20 seconds, be Covid-19 free and save water. Goodness me! What a waste of money! Magalies Water should really look at the

wonderful resources that Rand Water has produced. This includes tips for households, how and where water leaks can be reported and the like. A billboard which properly costed in the region of R30,000 that tells you practically nothing is appalling. I am really disappointed. **Cathy Dzerefos**

Brigadier Modise is hanging up her handcuffs

Rustenburg – Since April 2016 brigadier Gertrude Modise spearheaded Rustenburg’s fight against crime as the Rustenburg station commander. She has made a significant impact during her service, but after many years of devoting most of her time to her community, she is finally retiring.

During a glamorous event, befitting the remarkable woman she is, her family, friends and colleagues had the opportunity to celebrate her and her career on Friday 17 September. Keynote speakers included those who worked with her throughout her career paying tribute to her. Words like “brave, dedicated, dynamic, phenomenal, caring and intelligent” were repeatedly used to describe her. Being a woman in blue was her life’s calling and she embraced it with passion.

“Brigadier Modise decided to walk the walk and talk the talk when she joined the South African Police Service (SAPS) to protect and serve her community. She is a woman who never backed down, who gracefully and caringly guided her ‘blood family’ and her ‘blue family’ through many facets of life,” captain Elsabé Augoustides said. Sergeant Thomas Molapong added: “She had a way of reading people and understood the importance of communication, this was part of her success.”

Born and raised in Kroondal, her parents must have known that she was destined for great things when they named her Gertrude, meaning “mother of all gifts”. As a young woman with stars in her eyes, brigadier Modise joined the SAPS in 1991. She quickly climbed the ranks.

Dedicated to her job, you could often find her at the station in the early hours of the morning working, even when she was not on duty. Her approach to leadership was strict, but her goal was to help people be better.

Leading from the front, she was always on the ground with her troops. From the war room to a shoulder to cry on – she did it all. When you phoned her 02:00 in the morning, she was there, a true leader. She also shared her knowledge and left a true legacy wherever she went.

Her daughter Jenny Modise said that her mother has always been her role model. “When she puts her mind to something, she does it with passion.” She also spoke about her mother’s generosity, how she assisted those in need and her children.

“I believe my mother is blessed because she always gives freely,” she added. Various tales of brigadier Modise were shared at the ceremony and many tears were shed. During her farewell speech brigadier Modise said: “I have faced many challenges in my life and each one of them has made me stronger and more dedicated towards my goal. I would like to thank all of you who contributed to this success. I am grateful for all that you have done for me.”

Although it is a true loss for our community, we wish brigadier Modise a long and peaceful retirement. A running theme throughout the event was her impeccable memory and how she could remember incidents right down to the exact case number – the memory of her will be kept like that in the minds of all that had the privilege of meeting her. She has given a lot for our community and is leaving a big pair of shoes to fill.

Brigadier Gertrude Modise, the Rustenburg station commander is retiring after 31 years of service.

‘n Fees vir ‘n veiliger gemeenskap

Rustenburg/ Kroondal – Die Saamstaan Fees se doelwit is om ons gemeenskap beveiligingsgroepe soos buurtwagte, plaaspatroolie en Gemeenskap Polisiëring Forum groepe finansieel by te staan – asook om toerusting en opleiding aan te bied. Hierdie gemeenskap beveiligingsgroepe is ons eie gemeenskapslede wat dit op hulself neem om weerstand te bied teen die oorweldigende misdaad in ons wyke. Jong mense, ou mense, mans, vrouens... almal durf die koue, die laat nagte en gevaar aan, dag na dag, nag na nag, met min of geen ondersteuning.

Die Saamstaan Fees is jou geleentheid om te doen net wat die fees sê – om saam te staan en ‘n verskil te maak in ‘n saak wat ons almal raak, waaroor ons almal praat, bekommerd is en nie ‘n antwoord voor het nie – misdaad op ons voorstoep! Die fees dien ook om van hierdie beveiligingsgroepe op een

dag saam te kry onder die vaandel van Saamstaan en idees uit te ruil, skouer te skuur met sprekers wat spesialiseer in die gebied van beveiliging, spesialiseenhede wat vertonings gaan uitvoer en uitstallings met die nuutste sekuriteit toerusting. ‘n Vertoning deur die wêreld se eerste teen-stroping hond wat valskerm spring, Arrow, en sy eienaar Henry Holsthyzen is ook op die agenda vir die dag. Bekende privaat speurder Mike Bolhuis sal ook aan die woord wees – en kostes beloop R150 vir volwassenes en R100 vir kinders en sal binnekort aanlyn beskikbaar wees by <https://www.quicket.co.za/>.

Die fees vind op Saterdag 30 Oktober plaas by Cheers & Beers op die hoek van die Buffelspoort en Rex pad. Vir meer inligting kontak Deon de Beer op 082 762 4039.

Supreme Poultry and CBH donated R100,000 to SOS Children’s Villages in Rustenburg. It was a happy day when some of the material arrived!

KFC’s Add Hope and partners serving SOS Children’s Villages in Rustenburg

Rustenburg – In honour of KFC’s 50th birthday celebrations, Supreme Poultry (situated in the North-West and Free State provinces), a wholly owned subsidiary of Country Bird Holdings (CBH) and a supply partner to KFC, joined forces with Add Hope to bring much needed relief to SOS Children’s Villages in Rustenburg on 14 September. “SOS has been an Add Hope partner since 2009, where we work closely with them to provide the children in their care with the meals they need to thrive,” says Andra Nel, CSI Manager at KFC SA. “However, it recently came to our attention that their Rustenburg village was in dire need of new beds and mattresses to maintain hygiene

standards as well as upgrades to their fencing for safety and security and so we stepped in to identify a potential beneficiary.” With a strong focus on the community, Supreme Poultry and CBH stepped forward to assist - donating R100,000 to assist with these challenges. “We identify strongly with KFC’s commitment to helping the less fortunate communities in which we operate, especially during these challenging times and contending with the COVID pandemic, unemployment, and hunger and we are pleased we were able to assist the SOS Children’s Villages in Rustenburg with some of their immediate requirements,” said Brendon de Boer, CEO of CBH.

Every child deserves a loving home

Do you have what it takes to become a foster parent?

Rustenburg – Foster care is not a permanent solution but rather a long-term opportunity to provide a loving stable home for children who were abandoned, orphaned, traumatised or abused. Children’s homes in Rustenburg are reaching their full capacity and there is a dire need for homes where these children can be taken care of, provided for and be loved. Taking in a child is not as simple as just having a spare bedroom. It is a big responsibility. These children often require more emotional support. They need foster parents who can understand their situation and deal with it in a loving in caring manner. Families need to be financially stable to provide for these children – food, clothes and medical needs all form part of the responsibility.

They say it takes a village to raise a child and that is why it is very important that foster parents have a strong support system of friends and family.

This might sound overwhelming at first, but Rustenburg Child and Family Welfare social workers will always be there to provide help, training and advice. They will teach foster parents proper methods of dealing with challenges. You will never be alone in this.

If you meet these requirements and would like to help and make a meaningful difference or if you need more information, contact Rustenburg Child and Family Welfare on 014 537 2014/2072.

Flink gemeenskap maak pad weer veilig

Vryheidsfront Plus se Dawie Conradie (links) en Ben Anderson het gehelp om die stoptekens te vervang.

Rustenburg – Drie stoptekens by die R104 en Dinie Estates aansluiting is gedurende die naweek van 4 September 'verwyder'. Hierdie is 'n baie besige aansluiting met etlike duisende voertuie wat daaglik hierdeur beweeg.

Nadat navraag by Noordwes Provinsiale Administrasie (NWP) gedoen is om die betrokke tekens te vervang, het dit duidelik geword dat NWP, weens verskeie uitdagings, nie die werk binne 'n redelike tyd sou kon doen nie. Ben Anderson en Vryheidsfront Plus se Dawie Conradie, beide van die plaaslike gemeenskap het ingespring en dadelik werk van die situasie gemaak.

Op 9 September is die drie stoptekens, die keer met sement voete, vervang en kan motoriste weer die aansluiting met veiligheid gebruik. Opregte dank aan NWP se Johan van Wyk wat gehelp het om die regte standaard stoptekens en reflekteer stroke te voorsien, Anderson wat goedgevoel sy werker en tyd asook voertuig beskikbaar gestel het, Mouton vervoer vir die 210 liter dromme en ook Conradie wat alles gekoördineer het en ook gehelp het met die installasie van die tekens.

Wat is my regte wanneer ek in 'n motorongeluk beseer is?

Min dinge in die lewe is so traumaties soos om te beseer te word tydens 'n ongeluk. Het jy geweet ... Indien jy of 'n geliefde beseer is in 'n motorongeluk (behalwe wanneer die bestuurder die oorsaak van die ongeluk was), of indien jy 'n afhanklike is van 'n oorlede padongelukslaggoffer, kan jy moontlik 'n eis teen die Padongelukkefonds indien. Die Padongelukkefonds is 'n openbare entiteit wat befonds word deur 'n brandstofheffing wat by die prys van petrol en diesel ingesluit is. Die doel van die Padongelukkefonds is om te vergoed vir verlies of skade as gevolg van ligamlike beserings weens die nalatige bestuur van 'n voertuig op Suid-Afrikaanse paaie.

Ná hoe lank moet ek 'n eis indien?

Indien die identiteit van die oortrede bestuurder of eienaar van die voertuig bekend is, moet die eis binne drie jaar vanaf die datum van die ongeluk ingedien word. Dit is nie van toepassing by die eis van 'n minderjarige nie. Indien die identiteit van die persoon onbekend is, moet die eis binne twee jaar ingedien word.

Waarvoor kan ek eis?

'n Eis kan uit die volgende bestaan:

- Gelede en toekomstige hospital- en mediese uitgawes
- Gelede en toekomstige verlies van inkomste
- Algemene skadevergoeding vir pyn, lyding en verlies van lewensgenietinge.
- Gelede en toekomstige verlies van onderhoud in die geval van die afhanklike van 'n oorlede slagoffer
- Begrafnisuitgawes

Indien jy meer inligting verlang oor jou regte as 'n padongelukslaggoffer, skakel Yvonne Kruger Ing. by 011-468 5088 of besoek ons webwerf: www.yki.co.za of epos: ykruger@yki.co.za

Shoprite's Master Butchers weigh in with top tips for Braai Day

Coenraad Vermaak

When I braai, I like to go for a Picanha cut of beef. The Picanha has a nice layer of fat on top, and I usually recommend adding some salt and pepper. Braai it for about seven or eight minutes a side, and slice it as thin as you can. If you have a thick slab of meat, you can also consider cooking it on a salt plate – it takes a bit longer but adds a great salty flavour. If you're keen to cook chicken this Braai Day, my colleague John Rae also taught me a great recipe. Use a deboned whole chicken, add sun-dried tomato, basil pesto, a layer of bacon, and a good quality cheese that melts nicely. Season it, roll it up into tinfoil, and then put that over the coals. When you cut it, you get great layers of all the flavours.

Khuselo Dindili

I'm a big fan of beef on the braai, and in particular I like beef brisket. The fat on top brings amazing flavour to the meat. I add a few spices, place it over light coals and cook it very slowly. I also love to braai a good ribeye steak. Similar to the beef brisket, a ribeye has great fat inside the meat which also brings amazing flavour to your steak.

South Africa's Braai Day is a time of coming together around the fire to cook some of the country's finest cuts of meat. And there are few better to offer tips on how to treat these than Shoprite's crew of Master Butchers.

A Master Butcher is a specialist who is conversant in meat processing practices from farm to fork. There are only five certified Master Butchers in South Africa, and all of them work for the Shoprite Group. Achieving Master Butcher status takes three years, and butchers must build up a portfolio of work that includes modules on butchery expertise, business acumen, and food hygiene and safety. The Shoprite Group recently launched an internationally endorsed Master Meat Artisan Programme that aims to train 250 people over next five years. With braaiing a point of pride in many South African households, Shoprite's Master Butchers all have their preferences, tips, and tricks that make them expert braaiers, too. Here are their top braai tips for cooking on fire this Heritage Day.

Can you operate without a diary?

[Letter to the editor]

I remember, just a few months ago, putting my diary in the bottom drawer... I took it out every now and then, but could not use it like before. That was when the third Covid-19 wave hit. You couldn't plan anything! My diary's timelines, not to mention date, didn't mean a thing. I grew up with 'failing to plan, is planning to fail'... it's one of my motto's. You can't sit around waiting for something

good to happen. You need to take action, and if you want to do it smart, you have to plan. I go down on my knees and thank God that the troubling waters have calmed down a bit. I pray to God that I fulfil the plan He has laid out before me. And I'm thankful that my diary, and planning of my tasks, is once again something that I can take up.

Don't stop to exchange details after an accident?

[Letter to the editor]

R510/ Rustenburg/ Thabazimbi – I was driving from Rustenburg to Thabazimbi when I saw three youngsters next to road, eyes stricken with panic. I had to pull over! (much to my mother's dismay when I told her later...) This was about 10km before Northam.

There was an incident between a taxi and a bakkie and it looked like the taxi pushed the bakkie off the road... The bakkie had a trailer containing off-road bikes and four-wheelers. When I got closer, the taxi driver and passengers was already on the side of the road, circling the bakkie. Another taxi also pulled over... And that was when I saw the youngsters.

I pulled over.

I was followed by a third taxi driver who also pulled over.

I walked cautiously closer to the taxi driver and driver of the bakkie (I presume the father of the teenagers). Everybody was shouting. I walked up to the father and firmly said: Get into your bakkie and leave!

He wanted to 'talk to' the taxi driver about insurance and whose fault it was... that sort of thing. I eventually got him to leave. I know it's procedure to exchange details after a vehicle accident, but to me, the situation was suspicious. Almost as if the "accident" was on purpose.

It's terrible getting into an accident, small or big – but your safety, and that of your passengers are paramount. If you deem the situation unsafe, drive to your nearest police station, don't stop, and then only can you exchange details... NOT in the middle of nowhere...

#RatherSafeThanSorry!

Beware of Covid-19 scams!

Criminals will use anything, even Covid-19, to scam you!

With the global pandemic comes the desire to stay updated with the most current information. However, it can be difficult for internet users to navigate this information and separate fact from fiction. It is also difficult to ensure that links and resources are reliable. The reality is that malicious activity comes through just about every communication channel: email, social media, text, and phone messages, and of course, misleading, and malicious websites.

A survey conducted by the global cybersecurity company Kaspersky, reveals data showing that more than two-thirds of local respondents say that either they or their loved ones have suffered from criminals via social networks since the outbreak of the virus.

- In most cases fraudsters pretended to be familiar with potential victims: the manipulation scheme presented a request for help from a friend (59%).
- The top Covid-19 related digital scam was fake insurance, followed by unemployment and third-party seller scams.

Remember...

- Never give out your personal details.
- If it sounds too good to be true, then it probably is.
- Watch out for fraudulent charities, first do your homework before donating.
- Do not click on links or icons of unsolicited emails.
- Never reply to these emails; delete them and empty your recycle bin.

Have your say / Sê jou sê

Have you ever gone through your partner's phone?

Trust is the foundation of any successful relationship. Going through your partner's phone might seem like a breach of that trust, or it simply means that you have nothing to hide from each other...

No, there should be no reason at all to go through your spouse's phone unless there is definite suspicion, and you should ask for permission before checking. Modern phones have face ID, fingerprint recognition and passwords making it nearly impossible. Privacy is important and it all boils down to trusting each other.

Faried Saloojee

No, I have never done that. I do not intend on starting now. I believe in respecting his space and privacy.

Tsholofelo Lebeko

No, the phone belongs to her, not me. So, I have no reason to go through it. Our relationship is based on respect.

PSALM 51 VERSE 1-14

¹Have mercy upon me, O God, According to Your loving kindness; According to the multitude of Your tender mercies, Blot out my transgressions. ²Wash me thoroughly from my iniquity, And cleanse me from my sin. ³For I acknowledge my transgressions, And my sin is always before me. ⁴Against You, You only, have I sinned, And done this evil in Your sight— That You may be found just when You speak, And blameless when You judge. ⁵Behold, I was brought forth in iniquity, And in sin my mother conceived me. ⁶Behold, You desire truth in the inward parts, And in the hidden part You will make me to know wisdom. ⁷Purge me with hyssop, and I shall be clean; Wash me, and I shall be whiter than snow. ⁸Make me hear joy and gladness, That the bones You have broken may rejoice. ⁹Hide Your face from my sins, And blot out all my iniquities. ¹⁰Create in me a clean heart, O God, And renew a steadfast spirit within me. ¹¹Do not cast me away from Your presence, And do not take Your Holy Spirit from me. ¹²Restore to me the joy of Your salvation, And uphold me by Your generous Spirit. Then I will teach transgressors Your ways. ¹³And sinners shall be converted to You. ¹⁴Deliver me from the guilt of bloodshed, O God.

CCBSA's Bizniz in a Box!

Youth make business work through the pandemic

Rustenburg – Young participants in the Coca-Cola Beverages South Africa (CCBSA) Bizniz in a Box initiative have not allowed the pandemic to get them down, and have been working hard to create sustainable, growing enterprises contributing to creating jobs and opportunities for their communities.

As South Africa claws its way out of the economic slump, one such operation from Rustenburg is amongst those leading the way in demonstrating the grit and determination it takes to overcome adversity amid great uncertainty and youth unemployment.

The South African unemployment rate hit a record high of 34.4% in the second quarter as businesses shed staff due to the devastating economic impact of Covid-19, it was also reported that 67% of businesses in the townships were unable to operate at all during lockdown levels 5, 4 and 3. 75% of small businesses experienced a drop in sales.

"The Covid-19 crisis was incredibly challenging for us, and we had to work hard to ensure that even after closing for six months last year, we didn't completely shut down like so many other businesses," says 35-year-old Kelebogile Boikanyo, who runs a Bizniz in a Box in Kanana Village, Rustenburg. Boikanyo employs one full-time employee and runs a convenience store and restaurant. "We are now bouncing back strongly after closing for six months last year, but it is a slow process, and we have to be patient as people slowly venture out more."

Bizniz in a Box aims to create an ecosystem of viable micro-businesses offering complementary products and services in township communities, using the spaza shop as the anchor. Each business operates out of a custom-designed shipping container provided by CCBSA, covering various core needs of the local community, including business centres (internet cafés), car washes, fast-food shops, or mini bakeries.

Piloted in 2015 in the Free State province, as

part of the company's Youth Empowerment Programme (YEP), the initiative was established to make a meaningful and sustainable impact on youth unemployment through the rollout of a high-impact enterprise development programme that enables young people, particularly women, a chance to create a livelihood for themselves and others. The programme offers young entrepreneurs an opportunity to learn business skills, particularly those required to grow and run their own small and medium-sized enterprises (SMMEs). "The skills I've learned have really empowered me," Boikanyo says. "In the future, I want to start my own food franchise, which will offer sit-down meals, takeaways, and catered meals."

By the end of August 2021, through Bizniz in a Box, CCBSA and its partners had trained more than 749 young women entrepreneurs and helped 375 of them to take their businesses to the next level, creating 185 additional jobs by employing shop assistants. CCBSA aims to develop 200 viable, successful youth and women entrepreneurs by the end of 2021, creating new hope for young people in townships.

Coca-Cola Beverages South Africa (CCBSA) press release extracts

TKR Operations director Eddie Pienaar said his company attaches great value to assisting the community.

The spacious canteen will cater for learners and teachers at Rustenburg North Primary School.

Canteen to boost healthy eating

Rustenburg – A brand-new and fully kitted canteen was handed over to Rustenburg North Primary School on Wednesday 22 September. The canteen, set to enhance their health and nutrition, was handed over by TKR Operations.

Director at TKR Operations Eddie Pienaar said the canteen is part of the company's wider initiative of giving back to the community. "It has been a very difficult 18 months for everyone because of Covid-19 and I know that teachers are dealing with a lot of challenges. My message to you is to not get discouraged because we will

continue to support you whenever we can." Human resources manager at TKR Operations Benjamin Mokoka echoed similar sentiments: "We are happy to hand this canteen over to the school and we hope it will become a sustainable project that will also benefit future generations. Principal at Rustenburg North Primary School Hetta Havenga and school governing body (SGB) chairperson Mary Mamogale expressed their gratitude and pledged to ensure that the canteen is kept clean and not vandalised.

Showcasing women in business

Rustenburg – The Girlpreneurs Business Conference, which was held at Rustenburg Golf Club on Thursday 9 September, created the ideal platform for women involved in various business interests to exchange ideas on how to increase their markets.

The conference, which was well attended, was an initiative by Accuracy Group to empower those who attended with a better appreciation of how to successfully run a business. In their opinion, the biggest challenge for women-owned start-ups, is access to networking platforms.

Accuracy Group chairman Tumi Malaatlala outlined the purpose of the day: "The objective is to capacitate women entrepreneurs and

help them to register thriving and compliant businesses." He also revealed that the conference would be held annually.

Dr. Roche Mamabolo from Lora Academy advised entrepreneurs to persevere during the challenging stages associated with starting one's own business. Nqobile Zondi from Standard Bank and Portia Zilwa from Old Mutual's Masisizane Fund explained about the funding opportunities available for businesses as well as the steps one has to follow to secure funding.

Participants were also given an opportunity to exhibit their goods and services while others made use of a networking session to establish business contacts and forge partnerships.

Accuracy Group representatives ensured the business conference was a resounding success.

Educational fun with our men in blue

Rustenburg –The dedicated men and women in blue visited Laerskool Proteapark for an educational presentation on Friday 6 September.

Rustenburg Police officers, members from the K9 and Explosives Unit, captain Elsabé Augoustides, as well as Social Crime Prevention warrant officer Obakeng Motepe, sergeant Ofentse Poana, and sergeant Kgosi Manamela participated in educating youngsters about the work they do.

Learners were taught about the different types of dogs police use for training purposes and an exciting dog display, focussing on obedience, followed. Sergeant Poana with his narcotics dog, Nomsa, conducted a search for different narcotics, including Nyope and dagga.

Captain Augoustides spoke about police training and equipment and encouraged the learners to be safe while sergeant Manamela

had the children in awe with a lecture on explosives and dangers of experimenting with foreign objects. This informative day forms part of the South African Police Service's campaign to promote safer school environments and proactively teaching children about crime prevention.

Tackling bullying in schools

Mogwase – Officers from SAPS Mogwase visited learners at Makoba Secondary School in Magong Village on Tuesday 31 August as part of their school safety programme. Sergeant Kabelo Madisa of Mogwase SAPS, as well as representatives from the Department of Social Development, talked to learners about the dangers of bullying and using drugs. Madisa encouraged learners to speak up about sexual abuse of any form and to be vigilant. He also urged victims of sexual abuse to inform their parents or guardians so that such cases are reported to the police. Mrs Ramantsi from the Department of Social Development pointed out that bullying had no place in school or anywhere else. She added that bullying often results in a low self-esteem among affected learners and could also result in some of them staying away from school.

Sergeant Kabelo Madisa from Mogwase SAPS pleaded with learners to not use drugs.

SA VS AUSTRALIË

Neem asseblief kennis getroue lesers. Geen 'April fool' grappies word op die blad toegelaat nie en sodoende gaan die volgende inligting nie vir sensitiewe lesers bedoel wees nie...

Australië 30 - 17 Suid-Afrika

Die enigste liggpunt van hierdie berig is dat al die Bokspelers uiters intensiewe oogtoetse geslaag het. Bok se kind word behoorlik geslag deur 23 honger Aussies. Die Aussies het met skitterende ruggas die Bokke verniel. Handré Pollard skop weer goed en dis dit. Wie skop mens nou uit die span?

Vir die Aussies het hulle senterpaar – die twee beste senters in die wêreld – gewys wat senterspel op die planeet rugby nou eintlik behels! Len Ikitau druk twee keer met die vleuel Marika Koroibete wat ook twee oor die doellyn is. Die groot ster van die toets, soos in groot maat, Taniela Tupou, was 'n masjien. Hy storm soos 'n weghol Oshkosh trok teen die kantlyn af, stamp 'n hele paar Bokke en met 'n puik binne-aangee, sit hy Koroibete in die spasie om te gaan druk. Hierdie knaap is die nuwe sensasie van Wêreld ruggas!

Net 'n ou met groot ghoenas sal 'n randjie op die game Saterdag teen die Kiwi's opsit, dis die ou wat met sy emosies Vrydagnag gaan worstel met silwer varing nagmerries.

Alle grappies vir 'n ander geleentheid. Die Bokke het die swakste toets in jare gespeel. Pateties, lamsakkig en siende blind. Wat hierdie week in die Bokkamp

gebeur sal seker nooit geopenbaar word nie. Wat wel gebeur het is dat Jacques Nienaber slegs twee veranderinge aan die begin-span gemaak het met Kwagga Smith en Lood de Jager. François Steyn en Elton Jantjies is op die bank...

• Volgende op die kaarte... Wat dit so 'n ongemaklike situasie maak vir hierdie toets dat dit die 100ste toets tussen die twee lande gaan wees. Die eerste toets was in Dunedin op 13 Augustus 1921 gespeel wat toe deur die All Blacks met 13-5 gewen is. In die 99 toetse wat tot dusver gespeel is het die All Blacks 59 keer gewen, die Bokke 36 keer en 4 toetse was gelykop.

Nieu-Seeland 36-13 Argentinië

Die Kiwi's se sogenaamde C-span was toe net te sterk vir die moedige Pumas. Die All Blacks wen 36-13 en toon hoe gesond Kiwi ruggas met hulle diepte in alle posisies ou grote. Die Argentyne is nou onder groot druk en speel volgende teen die witwarm Aussies. Die All Blacks op hulle beurt kom teen die Springbokke te staan.

Nag ou groene...

Basta met boelies!

[Skrywe aan die redakteur]

Rustenburg – So sit ek uit blote gewoonte en loer deur sosiale media toe iemand se plasing my oog vang.

Dit is 'n vrou wat kla dat haar kleindogter by die skool geboelie word. Net vir interessantheid besluit ek om verder te lees, om te sien wat die mense te sê het. Groot was my verbasing om te sien dat daar niks minder as 64 ander mense is wat kla oor presies dieselfde probleem... hulle kinders word geboelie.

Ek weet skole het 'n verskeidenheid veldtogte teen boelies maar help dit werklik? Kinders pleeg selfmoord. Laerskool kinders pleeg selfmoord en steeds wil dit voorkom of die probleem nie opgelos kan word nie. Ek glo nie in elke liewe geval is dit die ouers se skuld nie, maar dalk is dit die wêreld waarin ons lewe wat ons kinders só wreed maak?

Ons neem soms net aan dat kinders wat boelie 'slegte kinders' is, of dat hulle ouers hulle nie maniere geleer het nie. Maar daar

is baie ander goed wat maak dat kinders ander afknou. Soms wil hulle net inpas by 'n groep kinders wat boelie. Kinders wat aandag wil hê of kinders wat van natuur baie selfvertroue het en nie bang is om te sê wat hulle glo of wat hulle wil hê nie kan ook boelies word. Hulle verstaan moontlik nie hoe hul dade of woorde ander kinders beïnvloed nie.

Kinders wat self geboelie word, hetsy tuis of op skool, word dikwels ook boelies. Daar is so baie redes, nie noodwendig verskonings nie... en daarom is dit so belangrik dat ouers openlik met hulle kinders hieroor kommunikeer. Soms voel kinders emosies wat hulle nie kan verstaan nie en daarom moet ouers hulle help om dit te hanteer en dat om ander te verkleineer nie die regte manier is om dit te doen nie.

Maar... iets sal gedoen moet word, en dit begin by die ouers.

Celebrating football excellence

Million Dollar Masters Football Club players display their awards.

Rustenburg – Million Dollar Masters Football Club honoured their outstanding players on Saturday 18 September during a glitzy awards ceremony held at Kloof View Primary School. The ceremony was a major highlight for the club, who managed to win the 2020/21 Bojanala Masters Football League. The club emerged as the best among 13 other competing teams when the league, which was contested by players aged 35 years or older, was concluded. All in all, Million Dollar Masters Football Club has now won 11 local competitions since its formation in 1999. In his address, club chairman Philip Mphahlele described all members of the team as special. "We are more than 40 players in our team. You are all winners, whether you have received an award or not," he said. The leading scorer of the season award went to Tebogo Sewise while Lebogang Lemme won the goalkeeper of the season accolade. Kagiso Mawela (midfielder of the season), Lawrence Rangaka (most committed player of the season), Percy Makweba (player of the season), Kenneth Motsepe (chairman's award) and Frank Masilo (most improved player of the season) were among the other winners. Speaker after speaker recognised the contributions of Johannes Setsoe, a club director who passed away in July 2021. We extend our sincerest condolences to the family and friends of Setsoe.

Impala beats Atteridgeville 106-3!

(this is not a typo!)

Rustenburg – Impala Rugby Club maintained their unbeaten run in the Carlton President League on Saturday 18 September with a resounding 106-3 victory over Atteridgeville. With seven matches won, they are well on their way for a spot in the semi-finals. "We are now on top of the log," said club chairman Wynand Burger. "It has been a good season for us and although we lost one of our players to a rival club, we have performed very well." Burger attributed the team's impressive performance this season to a professional approach on the part of both the players and the coaches. "We have a very good and disciplined team. They train very hard.

FOCUS ON Probiotics & Digestive Enzymes

Probiotics are good live bacteria and/or yeasts that naturally live in your body. Probiotic supplements ensure that you have the right balance of good bacteria. Digestive enzymes take the place of natural enzymes, helping to break down carbs, fats and proteins. Because they mimic your natural enzymes, they must be taken just before you eat.

ProbiFlora™ An imbalanced gut can leave you feeling uncomfortable, bloated and even compromise your immune system.^{1,2}
