EXTREMELY IMPORTANT: All potential clients need to be aware that owing to the nature of our work as specialist investigators there are people who have been caught on the wrong side of the law - who are trying to discredit me - Mike Bolhuis and my organisation Specialised Security Services - to get themselves off the hook.

This retaliation happens on social media and creates doubt about our integrity and ability. Doubt created on social media platforms is both unwarranted and untrue.

We strongly recommend that you make up your minds concerning me and our organisation only after considering all the factual information - to the exclusion of hearsay and assumptions.

Furthermore, you are welcome to address your concerns directly with me

should you still be unsatisfied with your conclusions. While the internet provides a lot of valuable information, it is also a platform that distributes a lot of false information. The distribution of false information, fake news, slander and hate speech constitutes a crime that can be prosecuted by law. Your own research discretion and discernment are imperative when choosing what and what not to believe.

STANDARD RULES APPLY: Upon appointment, we require a formal mandate with detailed instructions. Please take note that should you not make use of our services – you may not under any circumstance use my name or the name of my organisation as a means to achieve whatever end.
