**PROJECT:**  
**EXTORTION**  
**FROM INSIDE**  
**SOUTH AFRICAN**  
**PRISONS**

---

*Specialised Security Services have noted an alarming trend of extortion occurring within South African prisons.*

*The cases include prisoners and their families who have fallen prey to extreme threats, manipulation and extortion.*

*It is imperative that everyone becomes aware of this threat and takes necessary precautions to protect themselves.*

*SSS has elaborated on such instances on several previous occasions:*

## **MODUS OPERANDI:**

- Upon a new prisoner's admission, the other inmates immediately gather information about them.
- This can be done through bribing officials or the use of cell phones and laptops.
- Once they determine the value of the prisoner, they will coerce them to transfer money into various accounts.
- The prisoners are threatened with physical harm or harm to their families, which the criminals would have researched and on which they would have obtained details.
- The harm inflicted on prisoners and their families can be severe, ranging from assault to gang rape or murder.
- Criminals can also transfer the money to overseas accounts, making it extremely difficult to trace the funds.
- These syndicates operate both inside and outside the prison system and often use private investigators to intimidate the families of the prisoners.

---

*Specialised Security Services is the only reputable organisation that can handle such situations. Our vast experience and track record in these investigations are unparalleled.*

*We immediately ensure that all concerned parties are placed in a safe and controlled environment upon receiving the mandate for such a case.*

---

## **WHEN YOU ARE IMPRISONED:**

- There will always be a person in charge in the cells where you are.
- Establish who it is without asking too many questions.
- Never discuss your financial status with anyone in the prison environment.
- If you feel threatened or intimidated by a prisoner or an official, report it telephonically to your family outside of prison.

- 
- If in any way possible, report it to Specialised Security Services Mike Bolhuis or ask your family to do so.
  - Feel free to speak to Mr Bolhuis personally.

### **IF YOU ARE A FAMILY MEMBER OR AN ASSOCIATE OF A PRISONER:**

- Call Mr Bolhuis immediately.
- Always be honest and state your involvement in the situation.
- Give a mandate to Mr Bolhuis to proceed with the investigation.
- Mr Bolhuis will ask you some questions which you must answer in truthfully.
- After a discussion of the fee structure, the investigation will start immediately.
- Adhere to all requests by the specialist investigator/task team appointed.

**EXTREMELY IMPORTANT:** All potential clients need to be aware that owing to the nature of our work as specialist investigators there are people who have been caught on the wrong side of the law - who are trying to discredit me - Mike Bolhuis and my organisation Specialised Security Services - to get themselves off the hook.

This retaliation happens on social media and creates doubt about our integrity and ability. Doubt created on social media platforms is both unwarranted and untrue.

We strongly recommend that you make up your minds concerning me and our organisation only after considering all the factual information - to the exclusion of hearsay and assumptions.

Furthermore, you are welcome to address your concerns directly with me should you still be unsatisfied with your conclusions. While the internet provides a lot of valuable information, it is also a platform that distributes a lot of false information. The distribution of false information, fake news, slander and hate speech constitutes a crime that can be prosecuted by law. Your own research discretion and discernment are imperative when choosing what and what not to believe.

**STANDARD RULES APPLY:** Upon appointment, we require a formal mandate with detailed instructions. Please take note that should you not make use of our services – you may not under any circumstance use my name or the name of my organisation as a means to achieve whatever end.
