

PROJECT:
WARNING AGAINST
GUSTAV KNIEP
(PART 4)

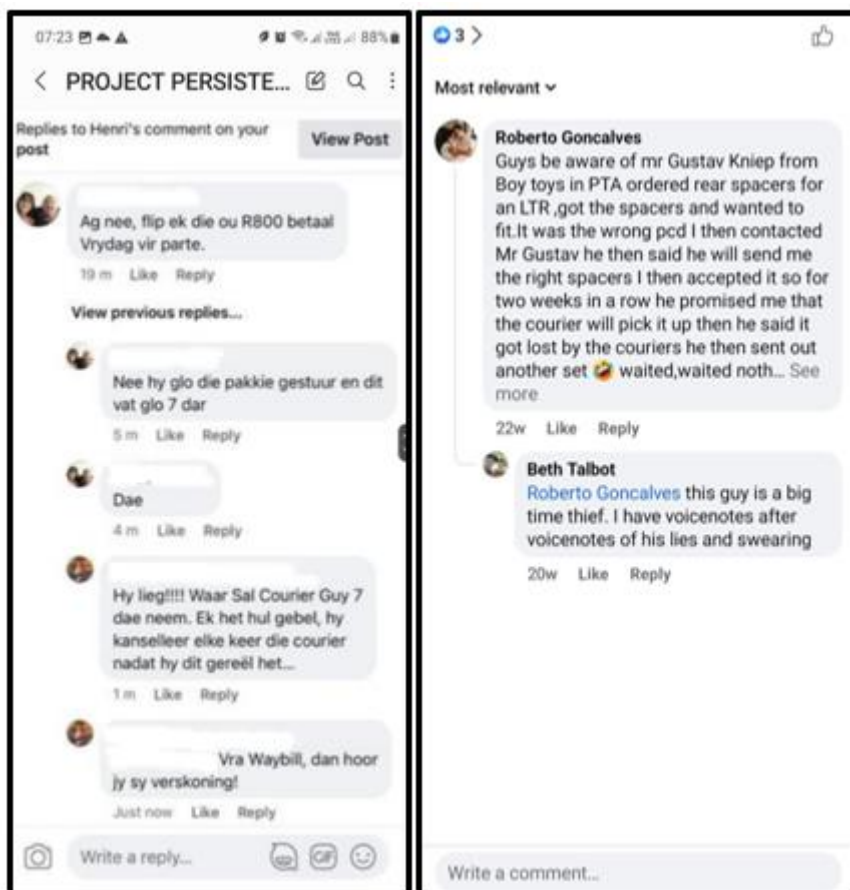

In our previous projects regarding Mr Gustav Kniep, SSS exposed this persistent perpetrator's fraudulent and criminal activities. Mr Kniep then contacted Mr Bolhuis personally and appointed SSS to handle all matters between himself and any disgruntled or dissatisfied customers.

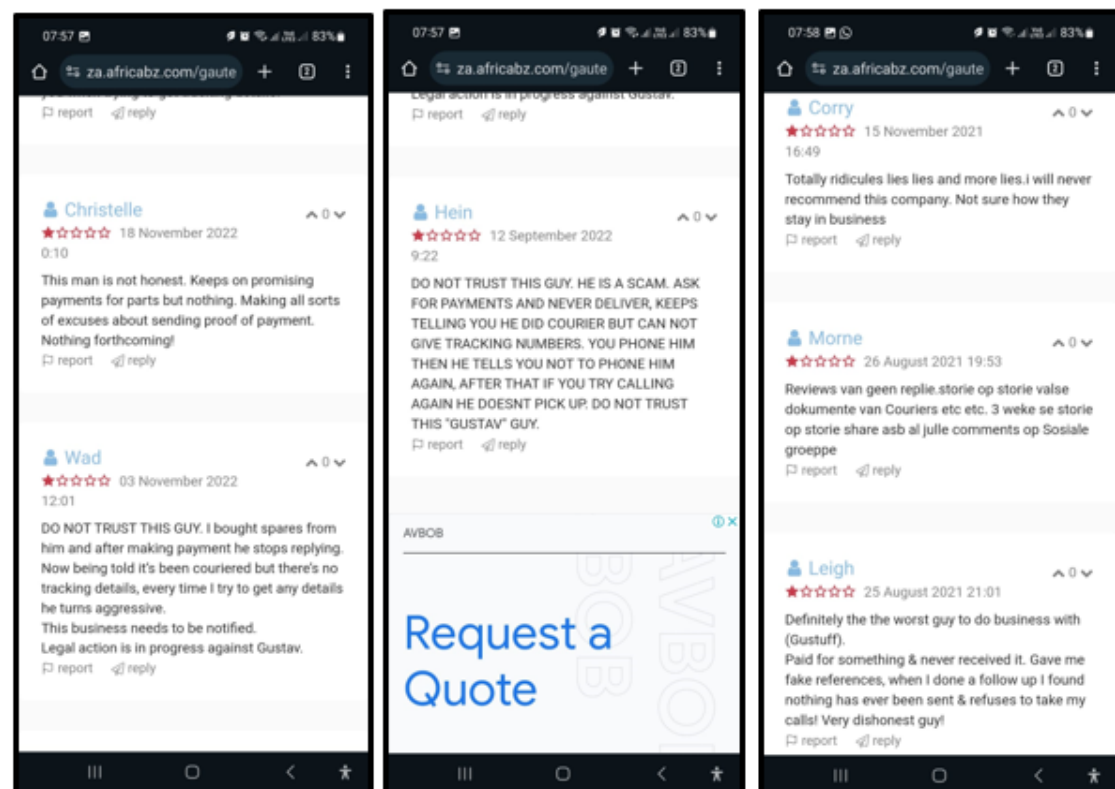

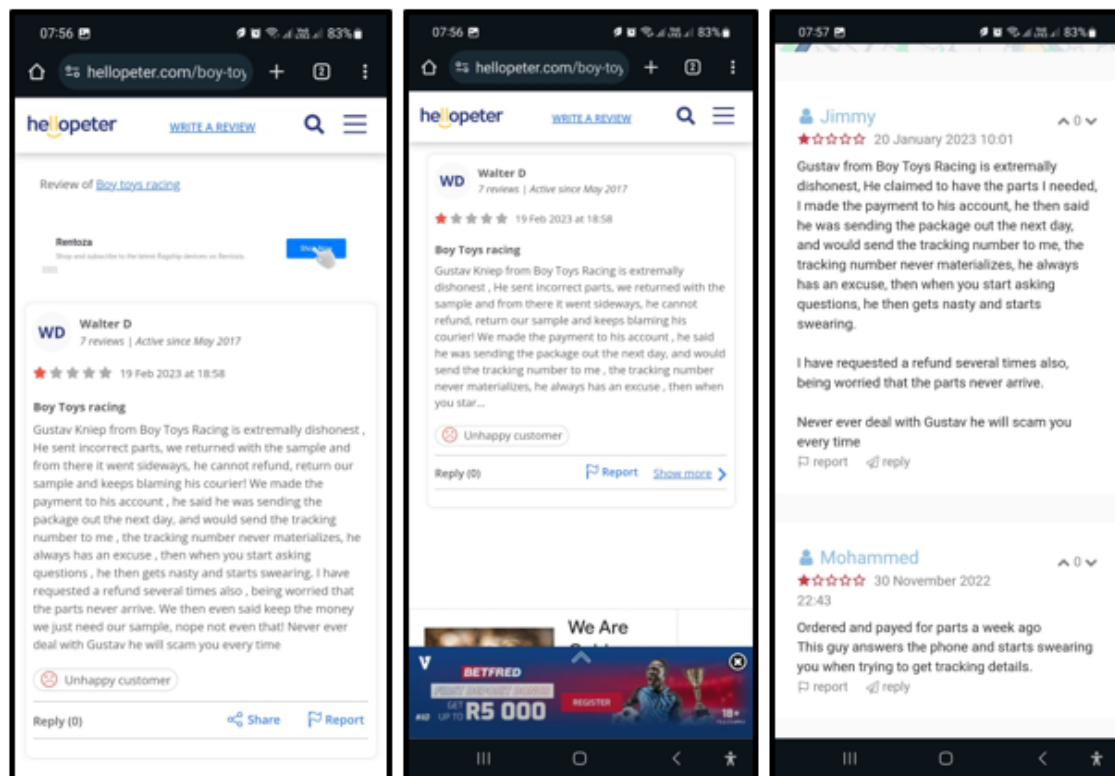

Mr Kniep promised to give his full cooperation to settle disputes from complainants.

Unfortunately, Mr Kniep did not comply with the agreement, and SSS is compelled to warn the public against doing business with him.

Mr Kniep has not resolved the complaints against him and has unfortunately turned his back on our support to change his criminal ways.

We will monitor his activities and will keep all interested parties apprised. In the meantime, staying clear of any dealings with Mr Gustav Kniep remains critical.

EXTREMELY IMPORTANT: All potential clients need to be aware that owing to the nature of our work as specialist investigators there are people who have been caught on the wrong side of the law - who are trying to discredit me - Mike Bolhuis and my organisation Specialised Security Services - to get themselves off the hook.

This retaliation happens on social media and creates doubt about our integrity and ability. Doubt created on social media platforms is both unwarranted and untrue.

Furthermore, you are welcome to address your concerns directly with me should you still be unsatisfied with your conclusions. While the internet provides a lot of valuable information, it is also a platform that distributes a lot of false information. The distribution of false information, fake news, slander and hate speech constitutes a crime that can be prosecuted by law. Your own research discretion and discernment are imperative when choosing what and what not to believe.

STANDARD RULES APPLY: Upon appointment, we require a formal mandate with detailed instructions. Please take note that should you not make use of our services - you may not under any circumstance use my name or the name of my organisation as a means to achieve whatever end.
