

PROJECT:
VENDING MACHINE
FRAUD
JOHANNES HENDRIK
GROBLER

In the world of investments, it is crucial to tread carefully, especially when dealing with unfamiliar faces and enticing opportunities.

Recently, our attention has been drawn to Johannes Hendrik Grobler, born on 4 July 1989, who has been orchestrating an elaborate scam involving vending machine investments.

BACKGROUND ON JOHANNES HENDRIK GROBLER:

- Johannes Grobler, aged 36, whose last known address is 758 Braam Pretorius Street, Montana, Pretoria, is associated with companies such as Grobler Van Eeden Property Holdings and Dynasty Turnkey Projects.
- It is crucial to exercise caution and be aware of his involvement in fraudulent activities.

THE CLIENT'S ORDEAL:

- A concerned investor shared their harrowing experience with us.
- Preferring to remain anonymous, the victims detailed interactions with Johannes Grobler, who lured them into a purported vending machine investment opportunity.
- Under the guise of his company, FATBOX VENDING, Grobler convinced the investor to purchase machines at R30,000.00 each, promising a monthly return of R3,000.00 per machine.
- Initially, payments were received promptly, but red flags emerged when the investor received an email stating the closure of the vending company.

- Alarmed, our clients investigated further, discovering that the machines they allegedly owned did not exist.
- Shockingly, they had paid a staggering R1.1 million for machines that were nothing more than a fabrication.

SAFETY MEASURES TO AVOID FALLING VICTIM TO SUCH SCAMS:

- Thorough Due Diligence:
 - Research and verify the legitimacy of investment opportunities and individuals involved.
- Legal Documentation:
 - Ensure that robust contractual agreements back all transactions.
 - Scrutinize the details and seek legal advice if necessary.
- Site Verification:
 - Independently confirm the existence of assets or properties associated with the investment.
- Communication Channels:
 - Be cautious of abrupt changes in communication patterns or locations, as scammers often use these tactics to evade detection.

EXTREMELY IMPORTANT: All potential clients need to be aware that owing to the nature of our work as specialist investigators there are people who have been caught on the wrong side of the law - who are trying to discredit me - Mike Bolhuis and my organisation Specialised Security Services - to get themselves off the hook.

This retaliation happens on social media and creates doubt about our integrity and ability. Doubt created on social media platforms is both unwarranted and untrue.

We strongly recommend that you make up your minds concerning me and our organisation only after considering all the factual information - to the exclusion of hearsay and assumptions.

Furthermore, you are welcome to address your concerns directly with me should you still be unsatisfied with your conclusions. While the internet provides a lot of valuable information, it is also a platform that distributes a lot of false information. The distribution of false information, fake news, slander and hate speech constitutes a crime that can be prosecuted by law. Your own research discretion and discernment are imperative when choosing what and what not to believe.

STANDARD RULES APPLY: Upon appointment, we require a formal mandate with detailed instructions. Please take note that should you not make use of our services – you may not under any circumstance use my name or the name of my organisation as a means to achieve whatever end.
